

FACES™ COMPOSITES

THE CLOUD COMPOSITE ENGINE

Any Time & Any Where

ADVANCING EDUCATION THROUGH INNOVATION

FACES™ COMPOSITES supports educators, researchers, and students with powerful facial composite tools for teaching, learning, and academic research.

ENHANCE LEARNING

Use facial composites to illustrate concepts in forensic science, psychology, and criminal justice.

ENGAGE STUDENTS

Hands-on tools that promote critical thinking, teamwork, and real-world problem solving.

SUPPORT RESEARCH

Generate composites for academic studies and contribute to advancing scientific understanding.

ACCESS ANYWHERE

Secure cloud platform accessible from any device—on campus or remote.

EMPOWERING EDUCATION. INSPIRING FUTURES.

Equip the next generation with the tools to explore, discover, and make a difference.

FORENSIC SCIENCE EDUCATION

Teach facial composite techniques and real-world investigative applications.

PSYCHOLOGY & COGNITIVE STUDIES

Explore memory, perception, and face recognition through practical tools.

STUDENT PROJECTS

Encourage collaboration and innovation in academic projects.

ACADEMIC RESEARCH

Support studies with reliable, high-quality facial composites.

ONLINE & REMOTE LEARNING

Access securely from anywhere, anytime via the cloud.
