

FACES™ COMPOSITES

THE CLOUD COMPOSITE ENGINE

— Any Time & Any Where —

ADVANCING LAW ENFORCEMENT THROUGH INNOVATION

FACES™ COMPOSITES empowers law enforcement agencies to create accurate facial composites quickly and efficiently—bridging the gap between memory and reality.

FASTER INVESTIGATIONS

Generate high-quality facial composites in minutes, not hours.

ENHANCED ACCURACY

Advanced algorithms and flexible tools produce lifelike, reliable results.

SECURE CLOUD PLATFORM

Access FACES™ COMPOSITES securely from any device, anywhere.

COLLABORATIVE WORKFLOW

Share, review, and refine composites seamlessly across teams and locations.

TRUSTED BY LAW ENFORCEMENT PROFESSIONALS

Reconstructing Identity.
Restoring Justice.

CRIMINAL INVESTIGATIONS

Create composites to identify suspects and solve cases.

PUBLIC SAFETY

Enhance community safety with faster, more accurate leads.

WITNESS SUPPORT

Empower witnesses to provide clearer, more detailed descriptions.

MODERN POLICING

Leverage cloud technology for greater efficiency and impact.
